

## **2025 "Nature Near You" Photo Contest**

Do you love the outdoors and need a great reason to get outside and experience the *Nature Near You*? Look no further, now's your chance to participate in the 12th Annual *Nature Near You* photo contest!

### **Overview**

Submit up to five photos celebrating our natural environment in southeastern Michigan in a JPEG (.jpg) file format to [SixRiversPhotos@gmail.com](mailto:SixRiversPhotos@gmail.com). Photo submissions will be accepted through **September 9, 2025**. All photos that meet our guidelines will be eligible and available for public viewing. This year's photo contest will differ from previous years. We have four new categories for submission: Landscapes & Flora, Birds, Wildlife, and Special Category 'Six Rivers Preserves'. There will be 1st and 2nd place winners for each of the four categories. Finalists will be selected via vote by Six Rivers staff and colleagues. Staff that vote for finalists will not know the identity of the photographers. Once finalists are determined, the first and second place entries for each category will be selected by online vote. The online poll will be posted on Six Rivers social media and emailed to members of the Six Rivers mailing list.

Enlargements of the finalist photos will be auctioned at the Conservation Celebration held the following year. All proceeds will go towards supporting the Conservancy's work in land conservation and preservation.
